

List of murdered Genocide survivors.

Below is the list of Genocide survivors who have perished with a short description of the highly unusual circumstances surrounding their deaths. The list is a small fraction of the total number of those killed. Time did not allow for the collection of all the data. Besides, most family members will not speak out of fear of reprisals. But we will provide more names as we learn of similar cases.

The people below were either shot, strangled, stabbed and/or beheaded. Some were abducted and are still missing:

- **Jean Paul Mwiseneza** aka **Nyamata**: Prison guard at Mageragere penitentiary, he was stabbed and beheaded on June 10, 2019. His body was found in Kamatana, Bugesera.
